

- Big brother to the Zip'r Traveler, the Xtra features the same power and assembly process as the Traveler with an additional 4" of legroom, upgraded finish, and a larger seat.
- Easily disassembles into five pieces.
- Maximum speed of up to 4.25 mph.
- Wireless, auto-latching assembly can be performed in less than 30 seconds.
- Headlight, basket and non-marking, flat-free tires are standard on all scooters.

zip'r™ Xtra
