

CORPORATE GIFTING

WITH

Thanks for your interest in Just Coffee Corporate Gifting Program. By using Just Coffee for your corporate gifts you are not only supporting local small business but you are also helping support the international community of farmers and their families who provide us with these delicious beans. We are proud to have socially and environmentally conscious coffee that aligns with many of your values. We offer delicious, high-quality, 100% fair trade, certified organic, roasted to order coffee from small-scale farmer cooperatives around the world. We are also proud to offer a non-coffee option, Omanhene Hot Chocolate, so any of your supporters will have something to love with your corporate gifts.
