ATTENDANCE POLICY:

Attendance is tracked by the hour at Elite Learning Academy. Students are expected to be on time and ready for class at the scheduled times. Students who arrive more than 10 minutes late or leave more than 5 minutes early will be counted as absent for that hour. The Maryland Real Estate Commission requires a minimum of 135 instructional clock hours in order to be eligible for the real estate brokers exam. Therefore, students must make every effort to attend every class. For the day session, students are evaluated after every fourth chapter, quiz and or exam and the results of such evaluation given to the student in writing, and made part of their permanent record which is kept by the school. For the evening session, students are evaluated at the end of each Module. Should circumstances warrant, a student may miss up to a maximum of 12 hours of class. All hours must be made of up within three months after the scheduled completion date of the class in which the student was originally enrolled. Students may make up the missed class hours at no additional cost in the next available class, subject to space and prior approval by the school. Special arrangements for makeup hours can be arranged with the instructor at an additional fee of \$45.00 per hour payable to Elite Learning Academy. Any student not completing the entire 135 hour program will not be eligible to graduate and will not be able to take the state licensing exam. Any student missing more than 12 total hours of class, or 2 classes in a row will be terminated. A student may re-enter the program in the next available class and will be granted advanced standing for the portion of the program which the student had successfully completed. Makeup hours are the responsibility of the student to make arrangements with the instructor and will be charged prior to attending makeup session.

LEAVE OF ABSENCE POLICY:

A student may be granted a one-time leave of absence for a maximum of sixty (60) days for extreme situations which would prevent the student from completing the program on time. Students must request the leave of absence in advance, and in writing and it will be documented in the students permanent file record. In the case of an official leave of absence, if a student fails to return to training by the end of the leave of absence, a refund due a student will be based on the date of withdrawal of termination, and paid within sixty (60) days of scheduled last day of the leave of absence. If the student does not return as scheduled, the student will be terminated. Tuition refunds will be issued according to the tuition refund schedule listed.

GRADING SYSTEM:

Students will be evaluated on homework, quizzes, module exams, and a final exam. They will be graded according to the following scale:

- A 95-100%
- B 85-94%
- C 80-84%
- F below 80%

The Student must achieve a cumulative average of 80% on all quizzes and exams (exclusive of the final exam) and must score at least 80% on the final exam to receive a passing grade. The grades will be determined on the following criteria.

10% Homework
35% Quizzes
25% Mid-Term
30% Final

Grade reports will be furnished to students within one week of completion of the graded requirement (homework, quizzes, mod-exams and final). Students are evaluated on both academic achievement and attendance at these times. These records will be maintained at the school.

STANDARDS OF SATISFACTORY PROGRESS:

In addition to the early and frequent evaluation of student's attendance, academic progress is evaluated at the end of each Module in the day and evenings sessions, and reported to the student in writing. Students who fail to meet the minimum attendance and/or academic standards identified below will be placed on probation for one module. During this probationary period the student must make up missed hours, and/or retest. At the end of the probationary period if the student fails to improve and meet the minimum academic and/or attendance standards of 80%, the student will be terminated from the program. Students dismissed for unsatisfactory progress may re-enter the program within one year by submitting a new enrollment agreement. There will be no additional conditions or charges to re-enter.
