DECOR SOLUTIONS

FLORAL SHEETING

- A unique decorating material that can be used to cover and enhance tables and walls
- Easy to fold, cut, cover and adhere to almost any surface with no hemming or fraying
- Attractively covers large surfaces at a low cost
- Rollable and foldable for storage
- Sold in 3' x 30' rolls

A sheet of vinyl makes up the backside of Floral Sheeting.

Die-cut vinyl petals are securely glued to the sheet of vinyl creating a dimensional look on the surface.
