*It's a great idea to package all the travel supplies in a clear, water-proof Tupperware and put in the travel box for emergencies.

*The West System, Bondo and 3M products have very detailed instructions on their packaging, that is always at your disposal if needed.

*Jamestown Distributors www.jamestowndistributors.com is a great place to get all your materials for a good price.

*The best way to get good and confident is practice, practice, practice!
