

Designed For

Knee support while lifting

Durable Construction

7 mm thick neoprene provide firm yet flexible support

Comfortable Support

Firm yet flexible support, great for a wide variety of movements

Performance and Comfort

7mm Neoprene Provides Exceptional Support

Functional and stylish knee sleeves designed to meet the professional athletes' high demands. Made of 7mm thick neoprene, the sleeves helps stabilize the knee joint under load, protects against stress and keeps joint warm. This firm yet flexible support is great for a wide variety of movements including squats, thrusters, snatch, clean and jerk, and walking lunges to name a few! Can be machine washed inside out in cold water.

AVAILABLE SIZES: XXL / XL / XXXL / XS
