

Grip Markings

Bar features markings for weightlifting

Designed For

High performance strength and conditioning

Knurling

Mild grip to ensure a secure hold on the bar

Optimised Rotation

Engineered for smooth controlled rotation under load

Dustproof Seal

Keeps dust out and grease in for optimal performance

For Athletes

Developing Strength and High Performance in Sports and Life

The Performance Weightlifting Bar is made in Sweden and delivers the performance and quality you can rely on. Designed for explosive Olympic lifting, the steel is strong yet flexible and a great bar for anyone serious about high performance in sports and strength and conditioning. Precision needle bearings, an inner race and dustproof seal ensure weight moves smoothly under load and at high speeds, while the refined knurling provides a grip suited for high-performance training.
