# Variety Without Compromise

## One Bar, Multipurpose Strength and Endurance Training

If looking for the best multipurpose strength and endurance training bar, the XF bar is the way to go. Designed and engineered to be specifically well suited for functional fitness training, the XF bar combines needle bearings and bronze bushings to ensure optimal spin for fast, explosive Olympic movements without compromising performance in heavy power lifts. The XF bar, ideal for fitness athletes and those training at home, features our least aggressive knurling presenting a balanced grip that gives full control while remaining comfortable for higher volume training sessions.
