

NOW WITH BLUETOOTH FTMS

The CE850 adjustable stride Elliptical Trainer combines our robust and compact front-drive elliptical design with the ability to customize your ideal stride motion from 18 to 24 inches. Our narrow 2" pedal spacing (Q-Factor), large cushioned pedals, and ability to simulate a walk/jog/run through electronically adjustable stride adjustment combine to give you the ultimate cardio workout for your users.

## **CE850** ELLIPTICAL TRAINER

- Electronically adjustable stride length from 18 to 24 inches in ½ inch increments
- Multi-position hand grips with remote resistance and stride controls
- Dual track with shielded concave roller wheel system for superior stability and durability
- 2 degrees of inversion at each foot pedal places the user in an anatomically correct position
- 20 levels of resistance to satisfy the needs of beginners or advanced exercisers

**CE850** ELLIPTICAL TRAINER

## CE850 CONSOLE FEATURES

The electronics in the CE850 are designed to provide intuitive operation. The console features a large easy-to-read display with a variety of program options for users of all fitness levels, an integrated fan to keep clients cool, and a USB port to help keep their devices charged. The large multi-position handlebar design includes convenient stride and resistance controls for fast and easy workout changes.
