

# PENDULUM SQUAT PRO

PW212 ↗

## DESCRIPTION

- Angle of footplate is adjustable.
- Large non-skid footplate provides proper positioning for all users.
- Two sets of band pegs (front and back).
- Counterbalanced for lower starting resistance.
- Front pivoting handgrip ensures easy racking.
- Variable resistance design provides an optimal strength curve.
- Pivoting design provides greater smoothness and is virtually maintenance-free.
- Standard weight storage horns eliminate the need for separate weight trees.
- Can fit people taller than 4'10".

## SPECIFICATIONS

- |                       |                 |
