

UNILATERAL LEG PRESS PRO

PW419 ↗

DESCRIPTION

- Three foot plates installed to increase placement options and stability.
- Includes built-in band pegs for greater personalized resistance.
- Safety depth is adjustable.
- Backrest inclination and depth are adjustable to accommodate all user profiles.
- Dual weight loading horns allow users to alter starting and finishing resistance levels.
- Exercises legs independently for balanced results.
- Variable resistance design provides an optimal strength curve.
- Standard weight storage horns eliminate need for separate weight trees.
