

# STAR TRAC®

## 8 SERIES

The Star Trac 8 Series line was built to give you the quality and performance you expect from high-end machines with user-focused features like dual personal fans, a hot bar with heart rate monitoring and Soft Trac® technology. For a premium experience pair any 8 Series machine with the OpenHub console which provides entertainment, fitness tracking and asset management solutions that will offer a complete fitness experience to facility owners and their members.
