

XBR95 RECUMBENT

Durable, comfortable, and smooth are all qualities of Spirit Fitness semi-recumbent bikes. Easy adjustments, bright LCD screens, cooling fans, and mesh back seats are standard on all models. The XBR95 is our top of the line semi-recumbent bike. It features additional programs, a heavier flywheel, 40 levels of resistance, and a generator for cord-free operation!

FEATURES

- Oversized 7.5" bright blue backlit LCD screen with separate Muscle Activation Profile and HR % Profile LED displays
- Generator power system eliminates the need to plug it in, it's cordless
- Remote Handlebar Toggles for convenient resistance changes without taking your hands off the seat handles
- Contact and wireless heart rate monitoring options make your workouts more effective (chest strap transmitter included)
- Adjustable cooling fan and dual speakers with audio jack for comfort and entertainment
- Easy access seat adjustments for fore/aft and reclining backrest positions
