HIGH SUMMER NEWS

*Welcome to a curated mix of maritime prints
and a new exciting collaboration.*

Sometimes I like to imagine my favorite dinner party - if I could pick and choose - dead or alive, who would I love to cook for and see at my dinner table.

One person that I would for sure love to have spent time with and invite to sit at my table is Elio Fiorucci, the founder of the amazing brand Fiorucci and in 2003 the founder of Love Therapy. Sadly Elio is no longer in our world, but his beautiful sister and lovely family have continued the legacy of Love Therapy. We are proud to say that we have teamed up and created a small capsule collection together - we share the same values - of fun, function - cheerfulness and color.

Elio apparently used to say - LOVE WILL SAVE the world!

Let's do it - together

Welcome to a

A TRUE LOVE STORY!

The collaboration between RICE and Love Therapy is a match made in heaven, it is a celebration of creativity, colors, and Everyday Magic. Join us in embracing this colorful fusion — where every piece reflects a world brimming with love, kindness, and the sheer joy of living.

The Fiorucci brand was founded in 1963 - By Elio Fiorucci, firstly as an iconic department store in Milan, where thousands of people found joy and fun items every day. Later a big fun adventure in New York - and he played an important role in fashion.

In 2003 LOVE THERAPY was dreamed and founded by Elio Fiorucci in 2003. It is characterized by a fun and loving mood. The fabulous world of Love Therapy with its gnomes, creativity, colors, and tenderness, portrays a world beyond rules bursting with love and communicating respect for animals and for all of nature.

We hope you will fall in love with this eclectic mix and fusion of worlds. We all believe in love and Everyday Magic.

We do Business with a ♥

Every year RICE takes an active part in developing projects and relief work all over the world. We make it our mission to do business with a heart. Social responsibility is a part of the RICE DNA - we believe in a better world and we aspire to make a difference.

We put a lot of pride into our work and our products, and it is important to us that we engage in long-lasting and reliable supplier cooperations and that we only use the very best materials available. At RICE we offer a wide range of materials - but raffia and melamine have been with us from the very beginning. Raffia is a beautiful and natural product; it comes from palm fronds and our products are handmade in Madagascar. The quality of RICE melamine is the highest available and contains no BPA or phthalates.

RICE was founded back in 1998 by Charlotte and Philippe Guéniau and today RICE is represented in more than 50 countries with approx. 2000 stores worldwide.

Let's wrap the world in colors!

This catalogue is designed and printed in Denmark.

Please note that the products can be subject to price changes, printing errors and discontinuance. There can also be slight variations in color. Trade is subject to written approval by RICE - general terms of sale apply.
