FAQ

Q: Why does signal interruption occur in some places, such as along the railway and the airport?

A: There are usually lots of underground cable lines along the places mentioned above, which might cause electromagnetic interference and result in the signal interruption.

Q: My earbuds don't charge, what can I do?

A: Please try to follow below steps:

1. Clean the charging slot on charging case.
2. Clean the charging connector on earbuds.

FAQ

Q: Why my earbuds don't power on/off automatically?

A: The earbuds would not power off automatically when the case is at low battery or out of power. Please recharge the case. And you can long press for four seconds to power on and long press for four seconds to power off the earbuds.

Q: Will the Bluetooth mouse cause the signal interference?

A: Perhaps. When your Bluetooth mouse and earbuds are connected to the same device, it might happen.
