BlazeGrills.com

► Built to Last

- Heavy-duty 316L stainless steel construction is backed by a **lifetime warranty** to give you ultimate peace of mind.
- Blaze's signature cast stainless steel **Linear Burners** boast intense cooking power and unquestionable durability.
- 14-gauge, full-width perforated flame tamers transform fat into flavor while stopping flare-ups in their tracks.

► Elegantly Designed

- Interior Lighting & LED Illuminated Control System empower you to entertain well into the evening.
- **Sleek and stunning** design sure to turn heads and catch eyes.
- Triangular stainless steel **Searing Rods** for steakhouse sear marks every time.

► Engineered with Purpose

- **10,000 BTU** infrared rear burner lets you put on a show with succulently slow-roasted dishes.
- **Heat zone separators** improve cooking versatility and put you in command of every inch of cooking surface.
- Available in **built-in & cart** models to enhance any outdoor kitchen.

► Notes

- The Blaze Marine Grade Grill includes a **Multi-User Warranty** including but not limited to: apartments, police stations, condo's, fire stations, etc.
