

# FITTING GUIDE

## YAM BRACELETS

Follow this guide to choose your correct bracelet size

Place a string around your wrist, write a mark on it and measure it with a ruler.

- For a snug/comfort fit, we recommend you add 0.5cm or 1/4 inches to your measured wrist size.
- For a loose fit, add 1cm or 1/2 inches to your measured wrist size.
- Every piece is unique and the measurements may vary slightly.

S	16	6 - 6.25
M	17	6.5 - 6.75
