NEW ZEALAND WINE

SAUVIGNON BLANC  
MARLBOROUGH • 2019

## Experience, the epitome of excellence

How does one bring about the best in what they achieve? For every Lake Road specialty vintage, it is with a steadfast focus to do what is right every step of the way. From the dedication of the viticulturist producing exceptional quality grapes, to the instinctive ingenuity of the vintner to create outstanding wines that allows us to continue to deliver excellence on the world stage. This is what sets Lake Road above the rest.

**WINEMAKERS NOTES** Sauvignon Blanc grapes for this wine were selected for their intensity of fruit flavours. They were fermented cool in tanks at around 12-13°C without malo-lactic fermentation and bottled early to capture their fresh varietal characters.

Careful vineyard management over the season and a short, quick harvest period ensured ripe fruit with good varietal character.

**VINTAGE** 2019

**TASTING NOTES** Fresh and nicely lifted, the bouquet shows green rock melon, kiwifruit and lime zest characters, leading to a vibrant palate that is juicy and refreshing. The wine offers bright fruit intensity backed by crisp acidity, finishing long and mouth-watering.

**REGION** Marlborough, New Zealand
