

Clarius Warranty

Clarius Warranty Coverage for purchases made on or after October 31, 2019

Every new Clarius Ultrasound Scanner is delivered with a three-year Standard Warranty to protect against defects in workmanship and materials. You will also receive telephone support for setup and configuration of your device. If your Clarius scanner is deemed to be defective within the first three years, we will replace it.*

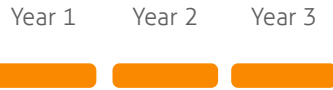

For additional protection, choose our Clarius Care Extended Warranty option.
