Blade Dartboard

Carbon steel construction, incredible durability, thin wiring – the works.

The **Blade Dartboard** is a professional bristle dartboard with the exclusive British Darts Organization (BDO) Endorsement. It is engineered specifically for high level dart play, with increased scoring area, a 14% thinner wiring system than standard dartboards, reduced bounce-outs and improved dart deflection.

The Blade attaches to virtually any surface with a triple wheel lock and level system. Darts sold separately.

DIMENSIONS
