# Mercury Shuffleboard

Luxuriously finished wood, glossy smooth play, easy conversion.

**T**he Mercury Shuffleboard is made from an Italian inspired design. This shuffleboard table is of grand luxury. A choice of satin wood stains, and polyurethane varnish colors. Manufactured with high quality resins to provide a perfect gloss, hardness and resistance to mechanical and atmospheric factors. A shuffleboard table that is as much fun to play as it is to look at. Available with dining or conference table tops.
