The Vault Billiards Light

Illuminate your table with the green glow of success.

The Vault Billiards Light is a quality light fixture with a retro 1920s vibe. This is a custom fixture that will take you back in time to when billiards was the world's most popular gathering entertainment. An elegant design that will illuminate the most regal rooms. Your selection of custom finishes allows this design to fit all styles.

Custom handmade to order in approximately 8-12 weeks (*but may vary slightly sooner or later*)
