

COCKTAIL TABLE WITH SAND BAR KIT

(Base Part #: TTR1422-XXD900P-SB-SR)

Installation Instructions

Parts Include

Cocktail Table with pre-installed Table Base. 3 color options with or without mat.

31" Sand Bar Leg with included handle and carry bag.

How to Install:

Remove handle from the Sand Bar clips and insert completely through the holes near the top of the post.

Position and using handle turn auger into the sand, grass, or dirt (in or out of the water) until the post is about 12" in or is stable and secure. Restore handle in clips on leg.

Add the table by centering the table base over the post and pressing down firmly.

To Remove

Remove handle from the Sand Bar clips and insert completely through the holes near the top of the post.

Reverse the direction and turn out the post and auger. Return the handle to the clips on the leg.

Drain water and clean all sand and dirt from the Sand Bar and table by raising with clean non-saltwater, air dry and store in carry bag
