

Dodge Durango (2004-2007)

PART NUMBER: DG-72-04-L

PLEASE READ COMPLETE INSTRUCTIONS BEFORE INSTALLING THIS Pro.Fit Legend.

All instructions assume a drivers seat vantage point. Caution is advised when removing and reassembling wood or plastic parts of a dash. Applying unnecessary force or pressure may cause a piece to crack or break.

TOOLS REQUIRED: 5/64" drill bit and drill, # 2 Phillips screwdriver, 7mm nut driver

PARTS INCLUDED: Pro.Fit Legend, instructions, two (2) #8x1/2" screws

LOCATION: Right of climate control

STEP 1.

Locate two (2) 7mm screw located below the cubby hole, right of the power outlet. Loosen the screws, but do not remove.

STEP 2.

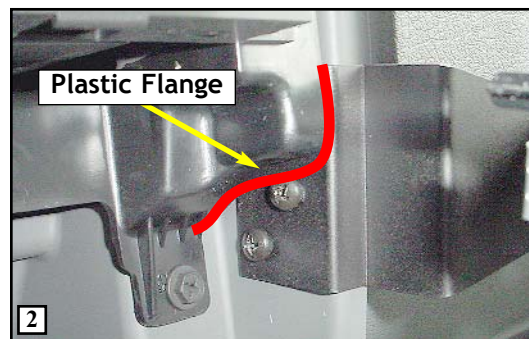

Grasp the dash bezel at the cubby hole and pull gently outward. Work your hands around the bezel and pull outward, releasing clips until the bezel is completely loose. **Photo 1.** Let the bezel hang downward and disconnect climate control wiring so that the bezel hangs well out of your way.

STEP 3.

The legend VSM fits flush against the angled contour of the inner dash to the lower right of the radio mounting bracket.

Photo 2. In order to do this effectively, the radio and radio mounting bracket must first be removed from the dash. Unscrew the four (4) screws that hold the radio in place first, then gently remove and disconnect radio from the dash. Next the radio mounting bracket must be removed by unscrewing the four (4) screws at the four corners of the mounting bracket as well as the two (2) screws inside the bracket securing the bracket to the rear of the dash. Carefully remove the mounting bracket and set aside. Place the Legend VSM flush against the angled contour of the dash as shown in photo 2. Using the Legend as a guide, mark the location of the two screw holes. Set the Legend aside. Drill two (2) pilot holes at the marked location using a 5/64" drill bit and drill. Align the Legend over the pilot holes, insert two (2) #8 x 1/2" screws and tighten.

STEP 4.

Re-assemble the dash in reverse order. This completes the installation of your Legend.
