

Ford Fusion (2006)
Mercury Milan (2006-2009)

PART NUMBER: FO-62-06-L

PLEASE READ COMPLETE INSTRUCTIONS BEFORE INSTALLING THIS Pro.Fit Legend.

All instructions assume a drivers seat vantage point. Caution is advised when removing and reassembling wood or plastic parts of a dash. Applying unnecessary force or pressure may cause a piece to crack or break.

TOOLS REQUIRED: 7 mm nut driver, Dash Trim Removal Tool (DM-40-22), Utility knife, small file

PARTS INCLUDED: Pro.Fit Legend, instructions

LOCATION: Right of radio

STEP 1.

Insert the dash trim removal tool behind the lower, right corner of the bezel around the radio. Pry downward to release a retainer clip. Work trim tool around bezel until all six (6) clips are loose. Set bezel aside. Remove two (2) 7 mm bolts right of radio. (Photo # 1).

STEP 2.

Align the Pro.Fit Legend over the two (2) bolt holes. Reinsert the bolts and tighten.

STEP 3.

Place the radio bezel upside down on a protective cloth. Using a utility knife, gently score the plastic ridge between the area shown in Photo # 2. Break the ridge off flush with the backside of the bezel. Gently file any rough or high spots.

STEP 4. Re-assemble the dash in reverse order. This completes the installation of your Legend.
