

**Buick LaCrosse (2005-2009)**  
**Buick Allure (2005-2008)**  
 (Allure Canada Only)

**PART NUMBER: MV-50-03-L**

PLEASE READ COMPLETE INSTRUCTIONS BEFORE INSTALLING THIS Pro.Fit Legend.

All instructions assume a drivers seat vantage point. Caution is advised when removing and reassembling wood or plastic parts of a dash. Applying unnecessary force or pressure may cause a piece to crack or break.

**TOOLS REQUIRED:** #2 Phillips screwdriver, drill and 5/64" bit, Dash trim removal tool (DM-40-22), 10mm nut driver, marking pen

**PARTS INCLUDED:** Pro.Fit Legend, instructions, two (2) # 8 x 1/2" screws.

**LOCATION:** Right of radio

**STEP 1.** Remove the small panel below the climate control by inserting a dash trim tool behind the upper right corner. **Photo 1.** Pry downward to release a retainer clip. Work the dash tool around the bezel until it is released. Let hang down without disconnecting.

**STEP 2.** Remove two (2) Phillips screws from bottom of climate control. Slide climate control out, releasing two (2) clips at the top, wrap in protective cloth and let hang down.

**STEP 3.** Remove two (2) Phillips screws from the bottom of the radio. Insert dash tool behind lower-right corner of the air vent bezel, directly above the radio. **Photo 1.** Press downward to release clip. Slide tool to the left, releasing the bottom edge of the panel. (Do not try to remove panel). Lift bottom edge of panel enough to remove two (2) Phillips screws from the top of the radio. Pull radio of its cavity, wrap in protective cloth and let hang down. Do not disconnect.

**STEP 5.** Place the Legend VSM against the dash pad, right of the radio. Align the Legend in the center of the opening. **Photo 2.** Using the holes in the Legend as a guide, mark pilot holes with marking pen. Set the mount aside. Carefully drill pilot holes with 5/64" drill bit and drill. Align the Legend over pilot holes and insert provided screws. Tighten with # 2 Phillips screwdriver.

**STEP 4.** Assemble dash in reverse order securing all clips. This completes the installation of your Pro.Fit Legend.
