EVO 2 STUDIO

2x1 COLOR-TUNABLE PANEL

EVO is an instrument made to extend your creative possibilities, to set up faster, and to remotely adjust on the fly on any location or any studio.

EVO offers everything you need from a professional color light: industry-leading output-to-weight and output-to-watt ratios, full output from standard 14.4V batteries, wireless control, solid reliability, silent fan-free operation and a weatherproof ergonomic housing.
