Trunk Shows

Not to brag, but we have epic trunk shows available to our yarn retailers. Our great selection of knitted (and a few crocheted) accessories, blankets and garments will promote yarn sell-through. Make some kits to merchandise with the samples, and yarn will be flying out of your store!

Pattern Support / Kits

We have a selection of patterns available for free to our yarn stockists. Knitters adore our convenient grab-and-go kits. Each kit features yarn for a project and a Ravelry download code, all neatly wrapped in charming packaging that streamlines merchandising. What's more, we include a gift care tag, simplifying holiday gift knitting. Through our extensive experience at retail shows, we've discovered that kits are our top sellers, especially those with special add-ons like sew-on crystals or buttons. Our standout product last year was the Striped Ribeanie Hat kit, which includes a printed pattern—no downloading required! Our kits are available in sets of 5, with a minimum order quantity of 20 kits.
