About the Monroe Institute

The Monroe Institute (MI) is a non-profit organization with a goal of achieving the global awakening of human consciousness. To achieve this goal, we offer self-taught online courses, fully guided week long online courses and week long residential courses in two facilities on our campus in Faber, Virginia, USA. In addition, we offer, over 100 off-campus programs throughout the U.S., Europe, Latin America and Asia. The Monroe Institute uses a sound technology called Monroe Sound Science that was founded on audio technologies created by Robert Monroe more than 40 years ago. The audio technology has evolved to include more than 50 different techniques to inspire unique experiences. MI also conducts research to prove the technology works and understand how it works. We are also in a significant growth phase as we launch the MI mobile application called Expand.
