

Knee deep

Knee Deep in Margaret River

ROSE
MARGARET RIVER / 2023

COLOUR

Brilliant salmon pink, with a golden hue.

NOSE

Lifted aromas of cherry, raspberry and a hint of white pepper.

PALATE

A fresh and balanced palate with vibrant red fruits and savoury notes which draw through to a long, dry finish.

WINEMAKING

Beautiful clean fruit was specifically picked for this Rosé at optimum ripeness levels for our style. Fruit was pressed off quickly with only a small skin contact time resulting in the pale dusty colour. A portion of the juice was moved straight into old barrels for ferment to assist in building the complexity of the wine. Post ferment the barrel and tank portions were blended.

VINTAGE NOTES

Vintage 2023, was an extended yet very rewarding season in the Margaret River wine region. Optimal dry weather conditions paired with the absence of any significant climatic challenges or disease pressure set the scene for a moderate season, ideal for gentle, consistent ripening across all varieties.
