SIZE GUIDE

Confirm printed paper

Print out this paper to use as template for finding your ring size. Ensure that Page Scaling is set to "None" on your print dialog box.
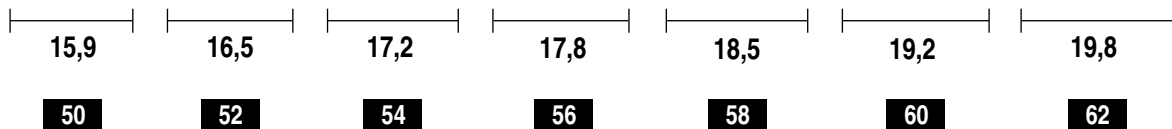

To confirm that your printed size guide is correct, please control it by measuring the bars displayed to the right. It must be exactly 1 inch or 30 mm.

0 ————————— 1 in

0 ————————— 30 mm

Measurements step by step

1. Select one of your own rings that properly fits the intended finger.

2. Place the ring over the lines on this paper, until you find the matching inside edge. This measurement refers to the inside diameter of the ring in mm.

3. The marked number under the ring, is your size to order on our webpage. If your ring falls between two sizes, we always recomend to go for the largest size.

4. This measurement guide measures the inside of your ring, please have this in mind when checking your size.
