

Application for Authorised Implanter Number For Qualified Veterinarians

This form can be used by qualified veterinarians to apply for a Victorian Authorised Implanter Number.

The Domestic Animals Act 1994 and Domestic Animals Regulations 2015 restrict who can implant permanent identification devices (microchips) in Victoria. It also places restrictions on what microchip can be used and how the procedure is carried out.

Post: 22 Fiveways Boulevard Keysborough 3173 VIC

A _ _ _ _

2. Receive AIN

You will receive an official confirmation via email with your Authorised Implanter Number.

3. Update Your Details

It is important that your details on the Department's implanters database are kept up to date.

Any requests to update AIN information needs to be sent via email to info@car.com.au.

Do you need vet-level access to the Central Animal Records (C.A.R.) database?

Tick this box if you'd like us to create a free online account for you using the details on this form. We will send your login credentials via email.
Note: We will not set up an online login for you if the 'Business/Employer' details are not provided.

- Conduct microchip searches which covers all 5 national databases
- Complete new subscriptions for microchips that you have implanted
- Access the national Lost Pet HUB and enable notification for lost pets in your area
- Access exclusive information for C.A.R. listed microchips such as pet images, medical conditions, personality type, height, weight, preferred vet and pet insurance provider/membership number and owner profile pictures

Companion animal microchips with prepaid CAR registration from \$8.45/unit

Go green with our 'Enviro' microchips which result in less plastic waste and can also be entered on CAR online to reduce the need for paper, printing and postage.
