Overflow:	Yes
Tap Holes:	0 or 1 (right hand tap hole)
Waste Size:	32mm
Waste Supplied:	Yes

Cleaning

Solid surface:

Spills should be cleaned up promptly. Clean with a mild detergent or soapy water and soft cloth. For more stubborn marks use a diluted very mild abrasive cleaner with a soft cloth in light circular motions over the entire surface. Finish by cleaning off detergents with a soft wet cloth and towel dry. Avoid bleach and highly acidic products on your basin.
