MATERIALS

ETHEREAL

A pearlescent blend of polymers that offers the same high durability as our Ethos plastic with more grip.

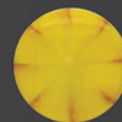

NEBULA ETHEREAL

Premium blend polymers from our Ethereal Plastic with a "burst" visual aesthetic.

AURA

Opaque blend of premium polymers that offer high-end durability and hand feel. Largest selection of bright colors.

NEBULA AURA

The same premium blend polymers from our Aura Plastic with an upgraded "burst" visual aesthetic.

ETHOS

A transparent blend of our most durable polymers for consistent flights time and again.

GLOW

A bright semi-transparent glow-in-the-dark blend of polymers that offers high durability.

NERVE

Our grippy premium baseline blend. Neutral flight with natural wear.
