

# Congrats on your new Apimaye Super Kit

All you need to turn your extra Apimaye Ergo supers into a hive

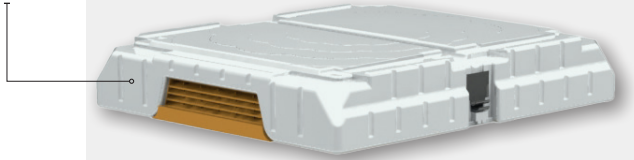

US PATENTED

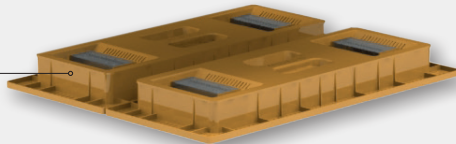

# Contents

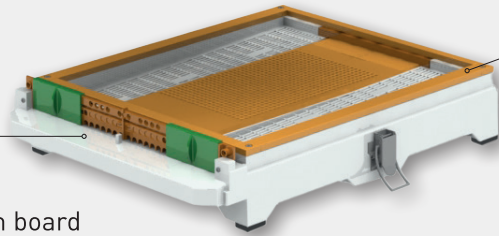

Insulated hive top cover

Half feeders

Medium super adapter

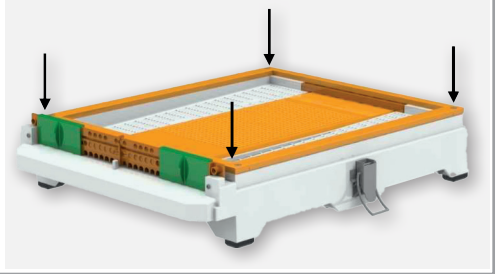

Modified bottom board

- Your Super Kit has 4 major components
- Insulated hive top cover
- 2 Half feeders
- Bottom board
- Modified to accommodate the deep supers
- Medium super adapter
- To mount medium supers
- 4 pieces preinstalled by 4 screws

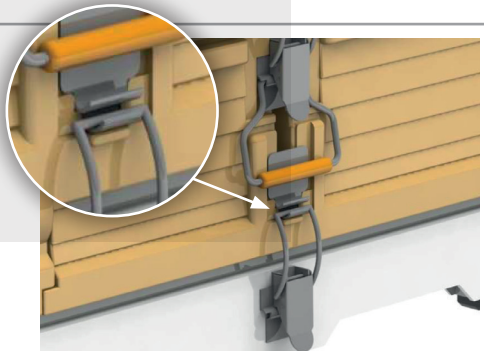

# Using the Super Kit

4 screws secure the adapter to the bottom board

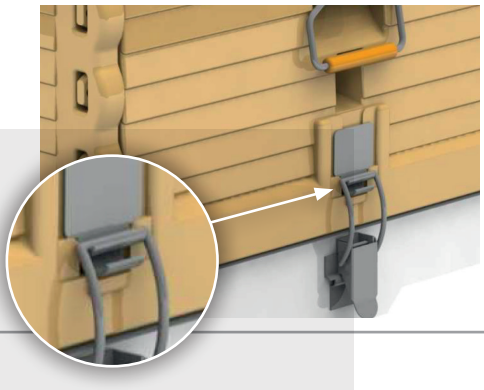

## With Medium Super

- Make sure the medium super adapter is screwed in
- It comes preinstalled on your bottom board
- Use the lower groove to latch your super to the bottom board

## With Deep Super

- Remove the medium super adapter by removing the 4 screws at the corners with a Philips screwdriver
- Use the upper groove to latch your super to the bottom board

## Product Notes

- This kit is designed to be used with the Apimaye insulated deep and medium supers
- It can not be used with Apimaye brood box which comes with the complete hive
- The division board can not be used with this kit
- This kit only comes in white color
