DOWNTOWN DENTON

FUN

SHOPPING & DINING

Winner of the Great American Main Street Award, Denton boasts more than 500 renovated structures in the downtown area. The historic town square, which is a community-oriented, mixed-use entertainment district, features the magnificent Denton County Courthouse. Built in 1896 and fully renovated in 2003, it is home to the Denton County Courthouse-on-the-Square Museum.

Beyond the beautiful courthouse square, the downtown area offers eclectic vintage shops, boutiques, museums, performing and visual arts, breweries, great dining, live music, and events – making it a great place to spend the day or a weekend. Downtown Denton is truly a unique experience.
