

SILKEN PURE 2022 spring/summer collection

Introducing our Fresh Spring/Summer line : Enjoy a rich collection of romantic silk in luxe hues and beautiful styles .

Added to our collection this spring is Silken Pure Raw. A pure raw silk exfoliate mitt, designed to gently sweep away dead skin and impurities by exfoliating and detoxifying the body.

Better skin, better sleep, and better hair . Benefits of our mulberry silk are

- **ANTI AGING:** Pure Silk's 18 amino acids and tightly woven/smooth fibers hold moisture, leaving your skin hydrated and keeps nighttime moisturizers on the face (will not end up on a pillow).
- **HYPOALLERGENIC:** Pure silk keeps the skin from bacteria and allergens like dust mites that cause irritation and breakouts.
- **ANTI BEDHEAD:** Pure silk allows hair to glide rather than tug and damage hair. Extends blowouts and hairstyles.
- **ANTI SLEEP WRINKLES:** Pure Silk's gentle fibers keep skin smooth on the pillowcase and protect delicate areas around the face.
