FFP2/KN95 FACE MASKS

5 LAYER RESPIRATOR MASK

EUROPEAN STANDARD EN149:2001 + A1:2009

WITH ELASTIC EAR LOOP & EMBODIED NOSE CLIP

The FFP2/KN95 Respirator Mask is a face mask that protects from chemicals, dust and particles from metal smelting and processing manufacturing, as well as other airborne harmful substances. The mask fits snugly around the face to prevent particles and harmful substances from entering your nose and mouth. KN95 face masks are designed to filter out a minimum of 95% of particles, with 5 layers of fabric which make the filtration system highly effective.

NUMBER OF MASKS	PRICE PER MASK
100-499	£1.75
500-999	£1.65
1000-1499	£1.55
1500-1999	£1.45
