

# Ottawa Farm Fresh CSA Referral Program

## Be a small-scale farming superhero!

Nothing makes a small business do the happy dance more than the magic of word-of-mouth recommendations. When you wax lyrical about Ottawa Farm Fresh to your buddies, family, and neighbours, you're not just helping the farm grow – you're the secret ingredient in the recipe for small-scale agriculture success, and we believe this deserves to be rewarded!

To express our gratitude for your ongoing support, we're excited to introduce the Ottawa Farm Fresh CSA Referral Program! All you need to do is keep spreading the Ottawa Farm Fresh love, and for every person you inspire to enrol in the CSA, you'll BOTH earn a reward!

### What is the Ottawa Farm Fresh Referral Program?

It couldn't be easier! You just keep spreading the word about your love of the Ottawa Farm Fresh CSA and for every new family that subscribes to the CSA program you'll both receive a \$20 gift card or a FREE basket of veggies!\*

### How to collect your reward

All you need to do is have either party email [info@ottawafarmfresh.com](mailto:info@ottawafarmfresh.com) with the names and email addresses of the CSA members along with your choice of reward. That's it! The more folks you refer, the more benefits you'll earn!

Jump into the fun of the referral program, where you'll not only score exclusive rewards but also keep the farm vibes groovy and small-scale agriculture thriving in our community. Your participation is like planting seeds of joy that grow into a harvest of benefits for both you and the Farm!
