

PRIMER A ERRATA SHEET

To find applicable changes, find your version of the book listed below (e.g., Version 3.4). All changes listed under that version and any versions that follow (e.g., Version 3.5 and higher) will apply to your version.

Location	Incorrect	Correct
Version 4.0		
Page iv, 7th bullet	The word “infinitives” is misspelled.	Change to: “infinitives”
Page x, Latin short vowels chart	<i>Rectus</i> has a long <i>e</i> and thus cannot be used as the example for a short <i>e</i> .	Change the short <i>e</i> example to: ventus : wind <i>wen-tus</i>
Page x, Latin long vowels chart	The sound that <i>errō</i> makes needs to be clarified.	Change to: <i>er-rob</i>
Page xi, Classical or Ecclesiastical Pronunciation	Two sentences were mistakenly deleted in the February 2020 reprint (print code BB.02.20). These sentences should have been left in to clarify the differences between the classical and ecclesiastical alphabets.	Add the following text at the end of the second paragraph, after “in which the ecclesiastical pronunciation is shaded”: There is no <i>w</i> . The letters <i>k</i> , <i>y</i> , and <i>z</i> were used very rarely. Letters in Latin are never silent.
Pages x, xii, diphthongs chart (both pronunciations)	Change the English example for the <i>ui</i> sound to a better example for 3rd graders.	Changed to: “gooey” (goo-ey)
Page xii	The pronunciation of <i>rēgīna</i> in the ecclesiastical pronunciation table is incorrect.	Change to: re-jeen-ah
Page xii, diphthongs chart	The pronunciation of the diphthong <i>oe</i> is incorrect.	Change to: as in stray
Page xii, diphthongs chart	A diphthong is missing from the ecclesiastical diphthongs chart.	Add: ei as in stray between au and oe
Page 14, note beneath #6	<i>Nārro</i> is missing a macron.	Change to: <i>nārrō</i>
Page 28, Figure 4-2	<i>Puelos</i> is incorrect for the accusative plural.	Change to: <i>puellās</i>
Page 73, Sentence Building exercise	There were errors with the subject/verb agreement in this exercise, in both the Latin sentences and the English translations.	A PDF of the corrected page, including answers, can be found at https://classicalacademicpress.com/product/latin-for-children-primer-a-program/ , under the Support tab (beneath the product photo).
Page 140, verb chart	It should not say “Latin Tense” as the header for the first column (1st person, 2nd person, etc.).	Remove “Latin Tense” header from column 1

Location	Incorrect	Correct
Page 145, Accusative-Case Endings chart	The column headers are incorrect.	Column 2 header should be Second Declension and column 3 header should be Second Declension (N).
Pages 153, 261, 266 (Student Edition) Pages 157, 159, 169, 236 (Answer Key)	Expand definition of <i>clārus</i>	Change definition of <i>clārus</i> to: clear, famous
Page 203, Chapter 28 chant title	<i>Eō, īre</i> is an irregular verb, not a first-conjugation verb. The chant title should also be more clearly labeled to not duplicate the chapter 27 chant title.	Change chant title to: <i>Eō, īre</i> in Present, Imperfect, and Future Tenses
Page 208, C. Apply	<i>Rectus</i> should have a macron on the <i>e</i>	Change to: <i>rēctus</i>
Pages 219, 223, 226, 232	The future and imperfect headings are switched in the chant table.	Switch the future and imperfect chant table headers (just the headers, nothing else).
Pages 203, 207, 209	The order of the chant chart should be present, imperfect, future to match the order of all of the other chant charts with three tenses.	Switch the order of the imperfect and future columns so that future comes third, not second.
Page 216, Derivatives, B. Apply	“Seduce” is not from the prefix <i>sub-</i> .	Delete “seduce” in the righthand column.

Note: **Version 4.0** was dramatically revised in 2017 from the previous versions. The extensive revision includes a full-color design, the insertion of an adventure storyline for students to follow throughout the text, a complete new Latin-language content edit, and assorted other edits. Due to the length of these revisions and the page numbers changing as a result, we will not list each 2017 revision in this errata sheet. Please note: The chapter-by-chapter Latin grammar sequence remains the same as previous versions.

Version 3.7

Page 40, Chapter 7, Answer Key, bottom of page	The three answers are missing from this page.	Should be: 2. <i>Dominus stat.</i> The master stands. 3. <i>Amīcae stant.</i> The friends stand. 4. <i>Servī labōrant.</i> The slaves work.
