

Mattress unpacking instructions

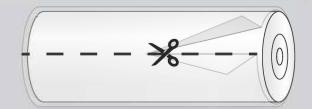

Do not use a knife.

Ready in 4 hours.

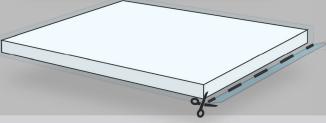

Step 1

Cut the outer plastic bag with scissors making sure not to cut the inner clear plastic bag (Do not use a knife).

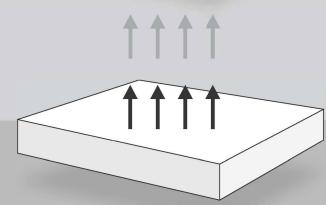

Step 2

Roll out the compressed mattress on to a clean, flat surface. Carefully cut open the CLEAR plastic bag along the edges.

Step 3

The mattress instantly begins to decompress. Remove the bag.

Step 4

Allow bed to fully expand. Use on any clean, smooth rigid surface such as a platform bed, box spring etc.

Let Your Mattress Breathe

After you have removed your mattress from its packaging, leave it uncovered in a well ventilated room to allow any condensation or odour to disperse. After just 4 hours the mattress is ready to use. However, a further 24 - 48 hours is required for the mattress to achieve its full height and level of comfort.

Packaging

Please recycle and dispose of protective polythene packaging responsibly due to the threat posed to children and the environment.
