

1. Pull out inner bag.
將內袋拉出

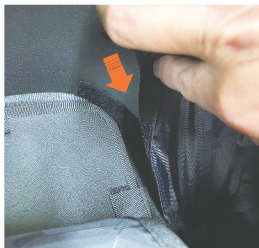

2. Place front lining into bag body (with Velcro facing inside of bag).
拿一片PE板微捲置入袋身(黏扣帶朝袋內)

3. Put left and right corners into internal fixing pieces. 將左右兩個角分別置入內片固定好

4. Stick hook and loop on bag body and bottom of bag.
左右分別黏上袋身和袋底的黏扣帶

5. Use same insertion method for back lining. 另一片PE板請用一樣的方式置入

6. Make sure all four corners of panels are on outside of bottom board. 確認4個角PE板都在底板外側
