

How to find your EU shoe size:

PETASIL®

1. Place your bare foot on a piece of paper
2. Make a mark at the big toe (or longest toe) and the heel
3. Measure between these points in cm and add 1cm
4. Divide this number by 0.666
5. The result is your shoe size in EU sizes

For example: Foot measures
 $18\text{cm} + 1 = 19\text{cm} \times 0.666$
 $= 28.52$ My size is EU29
