Why we love it...

(besides the fact that no one is thinking about overpriced coffee when you mention this grande)

Stately and quite sure of itself, this lamp is grande, indeed. With a mirrored finish in a rich, smoky gold and a subtle tapered shape, it's as ready for Mad Men as it is for your living room.

Ed. Elements
of Design

Elements of Design was created out of the desire to provide customers with a consciously curated, globally-inspired collection of pieces that made people feel less like they were simply purchasing products, but rather, evoke the feeling that they were collecting treasures; all of which have been tastefully produced in Los Angeles...and all around the world.
