BRUTALE

BRUTALE - D58 Dining Chandelier

Tiers of organic Venetian glass forms, modeled after a brutalist sculpture, hang heavy yet light as air-like icicles melted in winter sun then frozen once more. Each Brutale glass piece, cast in quartz sand, glows with a fine molten texture and seeded bubbles that reveal the hand of the artist.

LUXE lighting collections are handcrafted from the finest materials, combining classic motifs with contemporary flair to create signature illuminated features that are equal part light and art. Balancing light and shadow, color and clarity, each LUXE lighting fixture is a one of a kind creation.
