CELINE - (SC) Wall Sconce

Stalactites of rough-hewn Natural Selenite are suspended in dramatic tiers – glowing from within to accent the natural fissures and organic subtleties of this ancient material. Created from the sacred stone connected to the crown chakra – the connection to wisdom and self-knowledge - CELINE will raise the vibration and illumination of any space beautifully!

LUXE lighting collections are a handcrafted from the finest materials, combining classic motifs with contemporary flair to create signature illuminated features that are equal part light and art.
