GIO CIOLO - (D10) 10 Arm Rectangular

The modernist silhouette of the GIO single or multi-tiered frame juxtaposes with rows of Murano cylinder shades with rostrato spiked glass bands. The CIOLO cuff poses stylishly atop a gleaming banded frame, completing a feature accent that melds architectural lines with an organic flair.

LUXE lighting collections are handcrafted from the finest materials, combining classic motifs with contemporary flair to create signature illuminated features that are equal part light and art. Balancing light and shadow, color and clarity, each LUXE lighting fixture is a one of a kind creation.
