# LUNA - (S1) Wall Sconce Single, (S7) Wall Sconce Seven

Luscious layers of hand hewn Natural Quartz Rock Crystal create our dramatic LUNA silhouette. Like a celestial body, the overscale moon-like petals glow and refract the light. Choose from our standard models and finishes or create your own custom LUNA - illuminating your environment au clair de la lune!

LUXE lighting collections are handcrafted from the finest materials, combining classic motifs with contemporary flair to create signature illuminated features that are equal part light and art. Balancing light and shadow, color and clarity, each LUXE lighting fixture is a one of a kind creation.
