TENON - (D55) Dining Chandelier, (SC) Wall Sconce

Elegant and timeless, blown fumee cristale or smoke glass cups balance on their curvaceous frames, lined up like supermodels on a runway of gleaming brass, polished nickel, or oil rubbed bronze.

LUXE lighting collections are handcrafted from the finest materials, combining classic motifs with contemporary flair to create signature illuminated features that are equal part light and art. Balancing light and shadow, color and clarity, each LUXE lighting fixture is a one of a kind creation.
