LUCIA - Wall Sconce

Curvaceous branches of hand-finished metal support hand-blown and organically shaped glass shades like lush exotic fruit. Lucia's texture and form create a uniquely distinctive design statement to enhance any contemporary environment.

LUXE lighting collections are handcrafted from the finest materials, combining classic motifs with contemporary flair to create signature illuminated features that are equal part light and art. Balancing light and shadow, color and clarity, each LUXE lighting fixture is a one of a kind creation.
